WOMEN'S GATHERING

At Open Door Art Studio

Join Us!

Be our guest for cocktails and hors d'oeuvres at Open Door Studio & Gallery as we tour the gallery, learn about its artists and hear more about the Gallery's mission and impact in Columbus. TJG's Bridget Haggerty will then provide a financial briefing about our investment process and how we are aligning our clients' wealth with their goals and objectives.

"We believe that creativity knows no boundaries and that all individuals deserve an environment for expression without limitation."
