Heading Into the Last Quarter of the Year

It's hard to believe, but the end of September means we are heading into the 4th quarter and there are only three months to go in calendar year 2020. A lot has happened this year in markets and a lot may still happen with elections, vaccines, and economic stimulus likely to dominate headlines. Join us as Portfolio Manager Alex Durbin interviews CEO/Chief Investment Officer Travis Upton to talk about how we are positioning portfolios as we look to the final months of 2020.
