Fireside Chat to Wrap up 2023

Join us at Zaftig Brewing Co. as Portfolio Manager Alex Durbin and Partner, CEO and Chief Investment Officer Travis Upton discuss key topics that are top of mind for The Joseph Group's Investment Committee as we close out 2023.

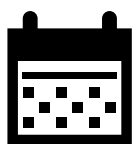

We will look at winners and losers from the past year, updated long term return outlooks for different asset classes, and the "new investment landscape" for 2024 and beyond. Oh, and there's also a Presidential election year just around the corner.

**Everyone is welcome to this year-end wrap-up -
please feel free to bring a friend!**
